First regular session 1995
10-13 January 1995, New York
Item 3 of the provisional agenda

Country programmes and related matters

FIRST COUNTRY PROGRAMME FOR THE CZECH REPUBLIC

Corrigendum

Page 5, paragraph 13

For the existing text substitute

13. The main sources of technical cooperation are: the European Union through the PHARE programme (Poland Hungary Aid for the Reconstruction of the Economy, which now covers central and eastern European countries and the Baltic States), Denmark, Finland, France, Netherlands, Switzerland, United Kingdom and United States.

Page 6

Insert new paragraph 21 reading

21. Missions of experts have become a more and more important part of the foreign policy as well as of external economic relations of the Czech Republic. Continuous work with experts is an enrichment for both sides and a source of valuable information and insight for economic cooperation. The Czech Republic is willing to offer experts to countries in transition and in the developing world. Experiences from economic transformation is one proposed area of their specialization.

and renumber the remaining paragraphs accordingly.
